Zeitschrift für Physik A

Atomic Nuclei

Editorial Board:

P. Armbruster, Darmstadt
W. Henning, Darmstadt
B. Herskind, Roskilde
F. Lenz, Erlangen
C. Ngô, Gif-sur-Yvette
D. Schwalm, Heidelberg
H.A. Weidenmüller, Heidelberg
W. Weise, Regensburg
P.K.A. de Witt Huberts, Amsterdam

Editor-in-Chief:

B. Povh, Heidelberg

Unter Mitwirkung der Deutschen Physikalischen Gesellschaft

Recognized by the European Physical Society

Volume 336 · 1990

Springer International

Founded in 1920. Edited with the collaboration of the Deutsche Physikalische Gesellschaft by *K. Scheel* and *H. Geiger;* Vols 124–141 (1947–1955) by *M. v. Laue* and *R.W. Pohl;* Vols 142–203 (1955–1967) by *O. Haxel* and *H. Jensen;* Vols 204–258 (1967–1973) by *E. Fünfer, O. Haxel, H. Jensen,* and *G. Leibfried,* from Vol. 259 by *E. Fünfer, O. Haxel, G. Leibfried,* and *H.A. Weidenmüller.* Vols 129–175 were produced with the collaboration of the Verband Deutscher Physikalischer Gesellschaften; from Vol. 176, the Deutsche Physikalische Gesellschaft. Published: Vols 1–4 (1921) Braunschweig, Fr. Vieweg & Sohn; Vol. 5 onwards, Berlin, Springer.

Starting with Vol. 272 (1975) Zeitschrift für Physik has been divided into two separate journals: *Zeitschrift für Physik A (Atoms and Nuclei)* and *Zeitschrift für Physik B (Condensed Matter and Quanta).* The title *Zeitschrift für Physik B (Condensed Matter and Quanta)* has been changed to *Zeitschrift für Physik B (Condensed Matter)* from Vol. 38 (1980). In 1979 a third section was added: *Zeitschrift für Physik C (Particles and Fields).* In 1986 *Zeitschrift für Physik D (Atoms, Molecules and Clusters)* was added and the title of *Zeitschrift für Physik A (Atoms and Nuclei)* changed to *Zeitschrift für Physik A (Atomic Nuclei).*

Copyright Submission of a manuscript implies: that the work described has not been published before (except in the form of an abstract or as part of a published lecture, review, or thesis), that it is not under consideration for publication elsewhere; that its publication has been approved by all coauthors, if any, as well as by the responsible authorities at the institute where the work has been carried out; that, if and when the manuscript is accepted for publication, the authors agree to automatic transfer of the copyright to the pulisher; and that the manuscript will not be published elsewhere in any language without the consent of the copyright holders.

All articles published in this journal are protected by copyright, which covers the exclusive rights to reproduce and distribute the article (e.g., as offprints), as well as all translation rights. No material published in this journal may be reproduced photographically or stored on microfilm, in electronic data bases, video disks, etc., without first obtaining written permission form the publisher.

The use of general descriptive names, trade names, trademarks, etc., in this publication, even if not specifically identified, does not imply that these names are not protected by the relevant laws and regulations.

While the advice and information in this journal is believed to be true and accurate at the date of its going to press, neither the authors, the editors, nor the publisher can accept legal responsibility for any errors or omissions that may be made. The publisher makes no warranty, express or implied, with respect to the material contained herein.

Special Regulations for Photocopies in the USA Photocopies may be made for personal or in-house use beyond the limitations stipulated under Section 107 or 108 of U.S. Copyright Law, provided a fee is paid. This fee is US $0.20 per page, or a minimum of US $1.00 if an article contains fewer than five pages. All fees should be paid to the Copyright Clearance Center, Inc., 21 Congress Street, Salem, MA 01970, USA, stating the ISSN 0930-1151, the volume, and first and last page numbers of each article copied. The copyright owner's consent does not include copying for general distribution, promotion, new works, or resale. In these cases, specific written permission must first be obtained from the publisher.
